2009 Product List

****Prices valid through December 31st, 2009**

CAT #	DESCRIPTION	QUANTITY	PRICE
SPF Chick Embryo Extracts			
ES-CEE-1050	Complete Chick Embryo Extract (SPF)	1.0 mL	\$30.00
Human Embryonic Progenitor Media			
ES-NC124	ESpan Medium NC124	500 mL	\$129.00
ES-NC128	ESpan Medium NC128	500 mL	\$139.00
ES-M150	ESpan Medium M150	500 mL	\$145.00
ES-M180	ESpan Medium M180	500 mL	\$145.00
ES-N170	ESpan Medium N170	500 mL	\$99.00
ES-N190	ESpan Medium N190	500 mL	\$99.00
Human Embryonic Progenitor Cell Lines			
ES-84	Human Embryonic Progenitor Cells: 4D20.8	500,000 cells/ampule	\$1,350
ES-127	Human Embryonic Progenitor Cells: 4SKEL20	500,000 cells/ampule	\$1,350
ES-150	Human Embryonic Progenitor Cells: SM28	500,000 cells/ampule	\$1,350
ES-207	Human Embryonic Progenitor Cells: E68	500,000 cells/ampule	\$1,350
ES-278	Human Embryonic Progenitor Cells: 7SM0032	500,000 cells/ampule	\$1,350
ES-283	Human Embryonic Progenitor Cells: 7PEND24	500,000 cells/ampule	\$1,350
Books			
ES-TXTIC	The Immortal Cell by Dr. Michael D. West	1	\$24.95
ES-TXTME200	Review of Medical Embryology by Dr. Ben Pansky	1	\$49.95
ES-TXTME001	Chapter 1: Terms of Description	1	\$0.99
ES-TXTME002	Chapter 2: The Male Reproductive System	1	\$0.99
ES-TXTME003	Chapter 3: Gamete (Germ Cell) Formation, or Gametogenesis: Spermatogenesis	1	\$0.99
ES-TXTME004	Chapter 4: Gametogenesis: Oogenesis	1	\$0.99
ES-TXTME005	Chapter 5: Anomalies (Abnormalities) of Gametogenesis	1	\$0.99

CAT #	DESCRIPTION	QUANTITY	PRICE
ES-TXTME006	Chapter 6: The Adult Female Uterus	1	\$0.99
ES-TXTME007	Chapter 7: The Adult Uterine Tubes (Oviduct, Fallopian Tube, or Salpinx)	1	\$0.99
ES-TXTME008	Chapter 8: Reproductive Cycles: The Ovarian Cycle and Ovulation	1	\$0.99
ES-TXTME009	Chapter 9: Reproductive Cycles: The Ovarian Cycle and the Corpus Luteum	1	\$0.99
ES-TXTME010	Chapter 10: Reproductive Cycles: The Menstrual (Uterine) Cycle	1	\$0.99
ES-TXTME011	Chapter 11: Germ Cell Viability and Movement and Abnormal Implantation Sites	1	\$0.99
ES-TXTME012	Chapter 12: Fertilization	1	\$0.99
ES-TXTME013	Chapter 13: Implantation and Its Preparation: General Concepts	1	\$0.99
ES-TXTME014	Chapter 14: Week 1 of Embryonic Development: Ovulation to Implantation	1	\$0.99
ES-TXTME015	Chapter 15: Week 2 of Development: Bilaminar Germ Disk Embryo	1	\$0.99
ES-TXTME016	Chapter 16: Week 2 of Development: Days 10 to 14	1	\$0.99
ES-TXTME017	Chapter 17: Review of Week 2 and Abnormal Development	1	\$0.99
ES-TXTME018	Chapter 18: Week 3 of Development: Trilaminar Germ Disk Embryo Formation and Gastrulation	1	\$0.99
ES-TXTME019	Chapter 19: Week 3 of Development: The Notochord, Neural Tube, and Allantois	1	\$0.99
ES-TXTME020	Chapter 20: Week 3 of Development: Intraembryonic Mesoderm, Somite Development, and the Intraembryonic Coelom	1	\$0.99
ES-TXTME021	Chapter 21: Week 3 of Development: Cardiovascular System Development	1	\$0.99
ES-TXTME022	Chapter 22: Week 3 of Development: Trophoblast and Villus Development	1	\$0.99
ES-TXTME023	Chapter 23: Weeks 4 to 6 of Development: The Embryonic Period	1	\$0.99
ES-TXTME024	Chapter 24: Embryonic Period: Weeks 7 and 8 and External Embryo Appearance	1	\$0.99
ES-TXTME025	Chapter 25: Germ Layers and Their Derivatives	1	\$0.99

CAT #	DESCRIPTION	QUANTITY	PRICE
ES-TXTME026	Chapter 26: Embryonic Folding and Flexion of the Embryo	1	\$0.99
ES-TXTME027	Chapter 27: General Mechanisms of Normal Development	1	\$0.99
ES-TXTME028	Chapter 28: The Fetal Period: Weeks 9 to 20 of Development	1	\$0.99
ES-TXTME029	Chapter 29: The Fetal Period: Weeks 21 to Term	1	\$0.99
ES-TXTME030	Chapter 30: Multiple Pregnancies	1	\$0.99
ES-TXTME031	Chapter 31: Congenital Malformation and Their Causes	1	\$0.99
ES-TXTME032	Chapter 32: Congenital Malformations and Their Causes: Human Malformations	1	\$0.99
ES-TXTME033	Chapter 33: The Fetal Membranes	1	\$0.99
ES-TXTME034	Chapter 34: The Amnion, Allantois, and Yolk Sac	1	\$0.99
ES-TXTME035	Chapter 35: The Umbilical Cord	1	\$0.99
ES-TXTME036	Chapter 36: Uterine Growth During Pregnancy and Parturition	1	\$0.99
ES-TXTME037	Chapter 37: Fetal-Maternal Incompatibility	1	\$0.99
ES-TXTME038	Chapter 38: The Placenta: General Discussion	1	\$0.99
ES-TXTME039	Chapter 39: The Placental Villi	1	\$0.99
ES-TXTME040	Chapter 40: The Placenta: Decidual Formation	1	\$0.99
ES-TXTME041	Chapter 41: Placental Physiology	1	\$0.99
ES-TXTME042	Chapter 42: Placental Circulation	1	\$0.99
ES-TXTME043	Chapter 43: Hormonal Balance and Tests for Pregnancy	1	\$0.99
ES-TXTME044	Chapter 44: Body Cavities: Coelomic Divisions	1	\$0.99
ES-TXTME045	Chapter 45: Body Cavities: Pleuropericardial and Pleuroperitoneal Membranes	1	\$0.99
ES-TXTME046	Chapter 46: Body Cavities: The Lesser Peritoneal Sac (Omental Bursa) and Dorsal Mesogastrium	1	\$0.99
ES-TXTME047	Chapter 47: Development of the Mesenteries	1	\$0.99
ES-TXTME048	Chapter 48: Development of the Diaphragm	1	\$0.99
ES-TXTME049	Chapter 49: The Branchial Apparatus: The Branchial (Pharyngeal) Arches	1	\$0.99

CAT #	DESCRIPTION	QUANTITY	PRICE
ES-TXTME050	Chapter 50: The Pharyngeal Clefts and Pouches	1	\$0.99
ES-TXTME051	Chapter 51: Malformations Related to the Branchial Apparatus	1	\$0.99
ES-TXTME052	Chapter 52: Branchial Arch Derivatives: The Thyroid Gland	1	\$0.99
ES-TXTME053	Chapter 53: The Branchial Apparatus: The Floor of the Pharynx-Tongue and Associated Structures	1	\$0.99
ES-TXTME054	Chapter 54: The Face	1	\$0.99
ES-TXTME055	Chapter 55: Development of the Palate	1	\$0.99
ES-TXTME056	Chapter 56: Congenital Malformations of the Lip and Palate	1	\$0.99
ES-TXTME057	Chapter 57: Development of the Nasal Cavities	1	\$0.99
ES-TXTME058	Chapter 58: Development of the Lower Respiratory System: Larynx and Trachea	1	\$0.99
ES-TXTME059	Chapter 59: Development of the Lower Respiratory System: The Bronchi and Surrounding Structures	1	\$0.99
ES-TXTME060	Chapter 60: Development of the Lower Respiratory System: The Lungs and Terminal Respiratory Tubes	1	\$0.99
ES-TXTME061	Chapter 61: Development of the Lower Respiratory System: Surfactant and Respiratory Movements	1	\$0.99
ES-TXTME062	Chapter 62: Malformations of the Lower Respiratory Tract	1	\$0.99
ES-TXTME063	Chapter 63: Development of the Muscular System	1	\$0.99
ES-TXTME064	Chapter 64: Development of the Skeletal and Articular Systems: Cartilage and Bone Histogenesis	1	\$0.99
ES-TXTME065	Chapter 65: Bone Histogenesis: Secondary Ossification Centers and Joint Development	1	\$0.99
ES-TXTME066	Chapter 66: Development of the Axial Skeleton	1	\$0.99
ES-TXTME067	Chapter 67: Appendicular Skeleton and Skull Development	1	\$0.99

CAT #	DESCRIPTION	QUANTITY	PRICE
ES-TXTME068	Chapter 68: Congenital Malformations of the Skeletal System	1	\$0.99
ES-TXTME069	Chapter 69: Development of the Limbs	1	\$0.99
ES-TXTME070	Chapter 70: Dermatone and Cutaneous Innervation of the Limbs	1	\$0.99
ES-TXTME071	Chapter 71: Malformations of the Appendicular Skeleton (the Limbs)	1	\$0.99
ES-TXTME072	Chapter 72: Development of the Integumentary System: Ectodermal Derivatives	1	\$0.99
ES-TXTME073	Chapter 73: Congenital Malformations of the Integumentary System	1	\$0.99
ES-TXTME074	Chapter 74: Development of the Hair and Associated Structures	1	\$0.99
ES-TXTME075	Chapter 75: Development of the Nails	1	\$0.99
ES-TXTME076	Chapter 76: Development of the Mammary Glands	1	\$0.99
ES-TXTME077	Chapter 77: Development of the Teeth	1	\$0.99
ES-TXTME078	Chapter 78: Tooth Eruption and Malformations of the Teeth	1	\$0.99
ES-TXTME079	Chapter 79: The Digestive System: General Introduction	1	\$0.99
ES-TXTME080	Chapter 80: The Foregut: Esophagus and Stomach	1	\$0.99
ES-TXTME081	Chapter 81: The Foregut: The Omental Bursa and Duodenum	1	\$0.99
ES-TXTME082	Chapter 82: The Foregut: The Liver and Biliary Apparatus (Gallbladder and Ducts)	1	\$0.99
ES-TXTME083	Chapter 83: The Foregut: The Pancreas and Spleen	1	\$0.99
ES-TXTME084	Chapter 84: Development of the Midgut: General Introduction	1	\$0.99
ES-TXTME085	Chapter 85: The Midgut: Fixation, the Cecum and Appendix	1	\$0.99
ES-TXTME086	Chapter 86: Development of the Hindgut	1	\$0.99
ES-TXTME087	Chapter 87: Congenital Malformations of the Digestive System: Foregut Malformations	1	\$0.99

CAT #	DESCRIPTION	QUANTITY	PRICE
ES-TXTME088	Chapter 88: Congenital Malformations of the Digestive System: Midgut Malformations	1	\$0.99
ES-TXTME089	Chapter 89: Midgut Malformations	1	\$0.99
ES-TXTME090	Chapter 90: Congenital Malformations of the Digestive System: I-lindgut Malformations	1	\$0.99
ES-TXTME091	Chapter 91: The Urinary or Excretory System: Intermediate Plate, Nephrogenic Cord, and Pronephros	1	\$0.99
ES-TXTME092	Chapter 92: The Urinary or Excretory System: The Mesonephros	1	\$0.99
ES-TXTME093	Chapter 93: The Urinary or Excretory System: The Metanephros	1	\$0.99
ES-TXTME094	Chapter 94: The Urinary or Excretory System: The Definitive Kidney	1	\$0.99
ES-TXTME095	Chapter 95: The Urinary or Excretory System: The Urinary Bladder and Urethra	1	\$0.99
ES-TXTME096	Chapter 96: Malformations of the Urinary System	1	\$0.99
ES-TXTME097	Chapter 97: Malformations of the Urinary System	1	\$0.99
ES-TXTME098	Chapter 98: The Genital or Reproductive System: The Primitive Genital System	1	\$0.99
ES-TXTME099	Chapter 99: Development of the Testis	1	\$0.99
ES-TXTME100	Chapter 100: The Genital or Reproductive System: Primitive Genital Tracts and Sex Discrimination	1	\$0.99
ES-TXTME101	Chapter 101: Differentiation of the Male Genital Tracts and Auxiliary Glands	1	\$0.99
ES-TXTME102	Chapter 102: Development of the Male External Genital Organs	1	\$0.99
ES-TXTME103	Chapter 103: Inguinal Canal Development and Testicular Migration	1	\$0.99

CAT #	DESCRIPTION	QUANTITY	PRICE
ES-TXTME104	Chapter 104: Development of the Female Genital System: Ovarian Differentiation	1	\$0.99
ES-TXTME105	Chapter 105: Differentiation of the Female Genital Tracts: Uterus, Vagina, Auxiliary Glands, Mesenteries	1	\$0.99
ES-TXTME106	Chapter 106: Development of the Upper and Lower Portions of the Female Genital Tract	1	\$0.99
ES-TXTME107	Chapter 107: Development of the Female External Genital Organs	1	\$0.99
ES-TXTME108	Chapter 108: Sexual Anomalies of Genetic and Hormonal Origin	1	\$0.99
ES-TXTME109	Chapter 109: Genital Malformations in the Male	1	\$0.99
ES-TXTME110	Chapter 110: Uterovaginal Malformations of the Female	1	\$0.99
ES-TXTME111	Chapter 111: Adult Derivatives of Embryonic Urogenital Structures 288 Differential Diagnosis of Patients with Ambiguous External Genitalia	1	\$0.99
ES-TXTME112	Chapter 112: Hematopoiesis and General Development of the Circulatory System	1	\$0.99
ES-TXTME113	Chapter 113: Cardiovascular Circulatory and Lymphatic Systems: Early Development	1	\$0.99
ES-TXTME114	Chapter 114: Development of the Heart: Cardiac Tube Development	1	\$0.99
ES-TXTME115	Chapter 115: Development of the Heart: Formation of the Heart Loop	1	\$0.99
ES-TXTME116	Chapter 116: Pericardial Cavity Development and Primitive Heart Circulation	1	\$0.99
ES-TXTME117	Chapter 117: Atrioventricular and Interatrial Septation and Development	1	\$0.99
ES-TXTME118	Chapter 118: Development of the Sinus Venosus and Associated Veins	1	\$0.99
ES-TXTME119	Chapter 119: The Right and Left Atrial Walls and Venous Valves	1	\$0.99
ES-TXTME120	Chapter 120: Septation of Ventricles, Truncus Arteriosus, and Conus Cordis	1	\$0.99
ES-TXTME121	Chapter 121: The Cardiac Valves and Conducting System	1	\$0.99

CAT #	DESCRIPTION	QUANTITY	PRICE
ES-TXTME122	Chapter 122: The Primitive Circulatory Network	1	\$0.99
ES-TXTME123	Chapter 123: Development of the Arterial System	1	\$0.99
ES-TXTME124	Chapter 124: The Aortic Arches	1	\$0.99
ES-TXTME125	Chapter 125: Development of the Venous System: Primitive Venous Network and Superior Vena Cava	1	\$0.99
ES-TXTME126	Chapter 126: Development of the Venous System: The Inferior Vena Cava	1	\$0.99
ES-TXTME127	Chapter 127: Development of the Venous System: The Portal System and Pulmonary Veins	1	\$0.99
ES-TXTME128	Chapter 128: Development of the Lymphatic System	1	\$0.99
ES-TXTME129	Chapter 129: The Circulatory System Before and After Birth	1	\$0.99
ES-TXTME130	Chapter 130: Adult Derivatives of Fetal Structures	1	\$0.99
ES-TXTME131	Chapter 131: Malformations of the Cardiovascular System	1	\$0.99
ES-TXTME132	Chapter 132: Malformations of the Heart and Great Vessels	1	\$0.99
ES-TXTME133	Chapter 133: Malformations of the Heart and Great Vessels	1	\$0.99
ES-TXTME134	Chapter 134: Complex Cardiac Malformations	1	\$0.99
ES-TXTME135	Chapter 135: Early Development of the Nervous System	1	\$0.99
ES-TXTME136	Chapter 136: Early Nervous System Development: The Neural Tube and Neural Crest	1	\$0.99
ES-TXTME137	Chapter 137: General Development of the Central Nervous System	1	\$0.99
ES-TXTME138	Chapter 138: Phylogenesis of the Nervous System	1	\$0.99
ES-TXTME139	Chapter 139: Metameric Organization of the Nervous System	1	\$0.99
ES-TXTME140	Chapter 140: General Considerations Related to the Anatomy of the Spinal Cord	1	\$0.99
ES-TXTME141	Chapter 141: The Spinal Cord: Normal Development	1	\$0.99

CAT #	DESCRIPTION	QUANTITY	PRICE
ES-TXTME142	Chapter 142: The Spinal Cord: Differentiation of Nerve and Glial Cells	1	\$0.99
ES-TXTME143	Chapter 143: The Spinal Cord: Neural Crest Cells and Myelination	1	\$0.99
ES-TXTME144	Chapter 144: Spinal Cord Length and Spinal Meninges	1	\$0.99
ES-TXTME145	Chapter 145: Malformations of the Spinal Cord	1	\$0.99
ES-TXTME146	Chapter 146: Introduction to Brainstem Development	1	\$0.99
ES-TXTME147	Chapter 147: The Brainstem: Myelencephalon (Fifth Vesicle)-Basal Motor Plate	1	\$0.99
ES-TXTME148	Chapter 148: The Brainstem: Myelencephalon (Fifth Vesicle)-Alar Sensory and Roof Plates	1	\$0.99
ES-TXTME149	Chapter 149: The Brainstem: Metencephalon (Fourth Vesicle)	1	\$0.99
ES-TXTME150	Chapter 150: The Brainstem: Metencephalon (Fourth Vesicle)-The Cerebellum	1	\$0.99
ES-TXTME151	Chapter 151: The Brainstem: Mesencephalon (Third Vesicle)	1	\$0.99
ES-TXTME152	Chapter 152: The Peripheral Nervous System and Cranial Nerves	1	\$0.99
ES-TXTME153	Chapter 153: The Diencephalon (Second Vesicle)	1	\$0.99
ES-TXTME154	Chapter 154: The Telencephalon (First Vesicle): Phylogenesis	1	\$0.99
ES-TXTME155	Chapter 155: The Brain: Telencephalon (First Vesicle)	1	\$0.99
ES-TXTME156	Chapter 156: The Brain: Telencephalon (First Vesicle)-Lobes and Pallial Development	1	\$0.99
ES-TXTME157	Chapter 157: The Telencephalon (First Vesicle): Development of the Rhinencephalon	1	\$0.99
ES-TXTME158	Chapter 158: Histogenesis of the Cerebral Cortex	1	\$0.99
ES-TXTME159	Chapter 159: Commissures of the Telencephalon	1	\$0.99
ES-TXTME160	Chapter 160: The Coverings and Vascularization of the Brain	1	\$0.99
ES-TXTME161	Chapter 161: Malformations of the Brain	1	\$0.99

CAT #	DESCRIPTION	QUANTITY	PRICE
ES-TXTME162	Chapter 162: Malformations of the Brain	1	\$0.99
ES-TXTME163	Chapter 163: Malformations of the Brain: Hydrocephalus	1	\$0.99
ES-TXTME164	Chapter 164: The Autonomic Nervous System: The Sympathetic System	1	\$0.99
ES-TXTME165	Chapter 165: The Autonomic Nervous System: The Parasympathetic System	1	\$0.99
ES-TXTME166	Chapter 166: The Olfactory System	1	\$0.99
ES-TXTME167	Chapter 167: The Eye: Optic Cup and Lens Vesicle, Retina, Iris, and Ciliary Body	1	\$0.99
ES-TXTME168	Chapter 168: The Eye: Lens, Choroid, Sclera, Cornea, and Optic Nerve	1	\$0.99
ES-TXTME169	Chapter 169: Congenital Malformations of the Eye	1	\$0.99
ES-TXTME170	Chapter 170: The Vestibulocochlear System: The External Ear and the Eardrum (Tympanic Membrane)	1	\$0.99
ES-TXTME171	Chapter 171: The Vestibulocochlear System: The Internal Ear-Membranous Labyrinth	1	\$0.99
ES-TXTME172	Chapter 172: The Vestibulocochlear System: The Internal Ear-Bony Labyrinth	1	\$0.99
ES-TXTME173	Chapter 173: The Vestibulocochlear System: Histogenesis of the Internal Ear	1	\$0.99
ES-TXTME174	Chapter 174: The Vestibulocochlear System: The Middle Ear	1	\$0.99
ES-TXTME175	Chapter 175: Congenital Malformations of the Vestibulocochlear System	1	\$0.99
ES-TXTME176	Chapter 176: The Hypophysis (Pituitary Gland): Glandular Primordium	1	\$0.99
ES-TXTME177	Chapter 177: The Hypophysis (Pituitary Gland): Neural Primordium and Portal System	1	\$0.99
ES-TXTME178	Chapter 178: Role of the Hypophysis (Pituitary Gland): Physiology and Pathology	1	\$0.99
ES-TXTME179	Chapter 179: The Paraganglionic System: The Paraganglia	1	\$0.99

CAT #	DESCRIPTION	QUANTITY	PRICE
ES-TXTME180	Chapter 180: Development of the Adrenal (Suprarenal) Gland	1	\$0.99
ES-TXTME181	Chapter 181: Pathology Associated with the Adrenal Gland	1	\$0.99
ES-TXTME182	Appendix	1	\$0.99
